

Hatch Match'r Fly Tying School

Thank you for your interest in our beginner fly tying course. Each course is limited to 8 students, for personalized service and consists of 4 lessons; 1 day per week for 4 consecutive weeks. All lessons are @ Hatch Match'r, upstairs in the Learning Center. (Coffee is supplied)

A tool kit is required (Vise, thread, scissors, bobbin etc.)

*****ALL HOOKS and MATERIALS SUPPLIED*****

A minimum of 8 different patterns will be taught.

Each person will tie over 45 flies. (Proven lake patterns)

Insects Covered:

- | | | |
|--------------|-----------------|-------------------|
| 1. Leech | 4. Mayfly | ** Dry Flies** |
| 2. Dragonfly | 5. Chironomid | 7. Elk Hair Sedge |
| 3. Damselfly | 6. Caddis Pupae | 8. Tom Thumb |

Learning about the food source is one piece to the puzzle but unless you activate your imitation properly, your consistency level does not improve. We learn about rods, reels, lines, leaders, tippetts, knots and most importantly "PRESENTATION."

HOME WORK: Each student is required to tie 4 of each pattern at home during the week. (All material is supplied)
